RE: Tax Lot 54, 15-17-12
7885 County Road 34

Dear Ms. Paproski:

This letter is a follow-up to this Office's March 24, 2004 correspondence regarding the lack of a number of inspections for the detached accessory building on the above-described property.

On November 28, 2006 the required inspections (electrical rough-in, final inspection electrical and final inspection building) were performed and received a "passed" from the County's Building Inspector.

This detached accessory building (building permit #3934) is now in compliance with the County's building codes.

This correspondence voids the previously filed March 24, 2004 letter. A copy of this letter has been filed with the Washington County Register of Deeds Office.

Sincerely,

Douglas E. Cook
